CLARIFICATION OF MENTOR GIRLS SOFTBALL LEAGUE “NO COLLISION” RULE

Pigtail: Sliding is NOT permitted. The runner will be called out but diving back to the base IS allowed.

The following is from the USSSA Head Fast Pitch Umpire:

“Sliding is never mandatory at any base including home plate. A runner must give up, avoid or slide. The runner is not out if they do not slide. A runner may be called out if they crash into a player that is standing on a base with or without the ball. The runner must give up, avoid or slide. If the fielder doesn't have the ball and is blocking the plate the runner still cannot intentionally crash into the defensive player. If while avoiding the defensive player who is illegally blocking the base the runner misses the base, the Ump is to call them safe due to defensive obstruction....I can't state it any simpler, do not call a runner out for not sliding.”

Al St. John

WHEN APPROACHING A BASE, THE RUNNER MUST:

1. When there is a play at a base or home plate, slide OR avoid contact with the catcher or defensive player by side stepping, stopping, or moving around the defensive player.
2. Be in the act of sliding, if contact is unavoidable.
3. The slide must be a legal slide (ex: feet first unless diving back to base).

FAILURE TO ABIDE BY ANY OF THESE CONDITIONS WILL RESULT IN THE RUNNER BEING CALLED OUT AND EJECTED FROM THE GAME.

ANY BODILY CONTACT WITH THE FIELDER/CATCHER BY THE BASE RUNNER WILL RESULT IN THE RUNNER BEING CALLED OUT AND EJECTED FROM THE GAME, UNLESS THE RUNNER IS ATTEMPTING TO AVOID THE CONTACT OR IS IN THE ACT OF SLIDING.

**THIS RULE CLARIFICATION IS NECESSARY FOR OUR CONTINUING
COMMITMENT TO THE SAFETY AND PROTECTION OF ALL OUR PLAYERS.**

4. Call-Ups must bat at the end of the batting order and must be noted on all game score sheets.
